

TOPTIPS

Useful weblinks

TT14

Here are ten fun, inspiring and useful websites recommended by us and subscribers of E-News Sweep that may be of use to you personally and in your church communications.

Cartoon Church

Dave Walker is cartoonist for the Church Times and produces cartoons many in church life will be able to relate to.

<http://www.cartoonchurch.com>

The Ongoing Adventures of ASBO Jesus

The Ongoing Adventures of ASBO Jesus is a Christian cartoon website with a very British, satirical humour. They can be challenging and controversial.

The Brick Testament

Why not bring a bible story alive during a family service with these often hilarious Lego depictions?

<http://www.thebricktestament.com/>

Urban Mission TV

Urban Mission TV is a collection of videos and clips of live performances of Christian hip hop and dance artists which may appeal to the young people in your church.

<http://www.youtube.com/user/UrbanMissionTV>

Bored Again Christian

Want to explore an underground world of unsigned indie Christian music? Why not try out Just Pete's very cool and amusing show Bored Again Christian?

<http://www.boredagainchristian.com/>

Pray as you go

If you have an iPod or MP3 player there are a huge number of Christian podcasts you can download from the web of varying quality. Pray as you go is a daily podcast produced by the Jesuit Media Initiatives which has proved popular to a broad range of Christians for its reflective style and beautiful music. If you don't have a mp3 player do not fret, as you can listen using Windows Media Player or Real Player

Reel Worship

Created by BUGB's unofficial technology expert Ian Britton, Reel Worship provides multi-media resources for use in the Christian community.

<http://www.reelworship.com/>

God Tube

God Tube was set up as a Christian alternative to You Tube and is very similar to its inspiration in format. That's my King was adapted for the 2006 Baptist Assembly and proved very popular.

The Work of the People

The Work of the People provides visual media for mission and worship. Most videos are \$15. Domesticated Jesus asks if Christians have 'lost the plot'.

Worship House Media

Like The Work of the People, Worship House Media provides visual media for mission and worship. Erase (which you can watch by clicking on the preview small screen) vividly portrays how Jesus has 'erased' our sin clean.
