Application forms for Criminal Records Bureau Enhanced Disclosures

Application forms for Criminal Records Bureau Enhanced Disclosures can be ordered through the Baptist Union Communications Department if your church uses the Churches Agency for Safeguarding (CAS) as it is an 'umbrella body' or registered body for obtaining Disclosures. If you use other organisations, or are a Registered Body yourselves, you make arrangements with your Registered Body or the CRB to obtain more forms.

CAS Form and Documentary Evidence Form

Those who use the CAS will need to supply a copy of the in-house forms CAS Form and Documentary Evidence Form - with each application. These documents and guidance notes on completing the CRB form are available by [clicking here](#).

Other Safe to Grow forms

A number of forms from the Safe to Grow book are available for free [download](#) .

Verifying identity

All ministers and church secretaries automatically are on the list of approved verifiers; if your church wishes to do so others may be appointed to this job. The database clerk at the Baptist Union will need their name, address and phone number. Abstracts from our database are supplied to the Churches' Agency for Safeguarding (our Registered Body) on the first Monday of each month. Verifiers may not start work until after that is done.
