

crossingplaces

Crossingplaces is an initiative from the Mission Department. It is a challenge to all parts of the Baptist family to take the gospel to the places where we meet the non-church world.

In this section of the website you will find examples of churches and individuals who are finding crossingplaces in their local community and making a difference. You will also find ideas and resources which will help you to make the most of the opportunities you have in your community to share the gospel.

- a space to meet, where paths join
- a moment to identify with others
- a holy space to interact and move forward together
- a place where encounters with Christ can happen

Baptist Christians making a difference wherever they are
