

## Video Library

Written by Mission

---

We have a growing library of videos which share encouraging stories of churches and individuals engaging in mission.

These are available to view in the 'Crossingplaces' and 'Meditations' sections of our Baptist Union [Video Library](#) .

You can also download these videos from the Video Library to use in your services and homegroups.

If you would prefer to receive a copy of a video on DVD, please contact the [Mission Department](#) .
