

The Mission Department is seeking to equip people to proclaim the gospel in word and action. We do this by:

- Running projects to encourage this, such as Get in the Picture
- Producing resources
- Offering training to help people share what we believe

All of these aspects enable people to share their story and his story.

The Christian Enquiry Agency has been relaunched in a way that will respond to the needs of a new generation. At its heart is a fascinating [website](#) . Why not add a link to the website to your church's own website or to your blog. Write [www.christianity.org.uk](http://www.christianity.org.uk) at the bottom of every email you send, or just print it on your church newsletter or magazine.
