

## Running the Course

Written by Mission

---

Since its launch in May 2010, we have held some Wellsprings training evenings at which author Leesa Barton has offered practical help, and a demonstration, for women in churches who might run a Wellsprings course.

## Woman to Woman

We also run some Woman to Woman days which look more broadly at reaching women on the fringe or outside the church. These days help women in our churches think about the lives of women in society today and the ways that connections may be made with those on the fringe or outside the church. We look at resources that will help such women on their journey of faith, including a training session on using the 'Wellsprings' course. The days are particularly suitable for women leaders in our churches, eg Toddler Group leaders, Evangelism Deacons and any Christian woman with a heart to see other women come to Christ.

There are no **Wellsprings training** evenings or **Woman to Woman** days, planned in the next few months. If you are interested in attending or hosting an event, please contact the [Mission Department](#).
