Churches (and other ministries)

If you are thinking about applying for a BUGB Mission Grant then you will need to contact your local Association as application forms are only available from them. You may, however, like to download the leaflet GD3 (see below) as this will give you some idea of what is involved.

If you have already been sent an application pack for 2013 and are looking for electronic versions of the application forms then please [click here](#).

You will need the log-in details supplied in your pack.

If you are looking for guidance notes then please click on the link below to download the appropriate document.
