

To engage with the challenges and opportunities which arise from living with diversity and especially in relation to living alongside people of other religions and cultures.

Good Neighbours Study Guide

This study guide for small groups has been written in partnership with [Joppa](http://www.joppa-uk.org). It gives biblical examples and practical suggestions on how we as Christians can build relationships with people from other faiths, and be able to discuss what we both believe in a non-threatening way.
