

This annual conference is valued by its participants as a safe place for pastors of larger churches to network, share issues and to be real without fear of jealousies, judgement or guilt.  
The conference will be done in an attitude of prayer and trust.

## What if! Just imagine...

Just imagine  
what God could do  
in our nation if you  
and I got serious with  
the stuff he has  
given us!

Just imagine  
what God could do  
in our nation if you and  
I got serious with the  
stuff he has placed  
in our hands!

### Speaker

**Karl Martin** is the Senior Pastor of Central, a church in the City of Edinburgh, and a founder and CEO of Cairn. He is passionate about equipping, encouraging and releasing individuals in leadership. Karl is married to Niki and they have four daughters – Lydia, Keziah, Abi and Esther, who have given him a love of rom-coms, dance movies and Downton Abbey. He would be playing cricket, rugby and football for England if it wasn't for an old knee injury.
