

## ***Update: November 2020***

Dear Friends

We are very aware that so many of you are paddling hard to stay afloat in these times and we offer this update to help and enable you, not to add any weight to your already crowded boat!

You will find here lots of excellent resources and ideas; we fervently hope this will be a blessing to you. We don't mean to give you indigestion or information overload, so as you scroll through the contents, please know that our intention is to bless you and even make you smile!

You remain very much in our prayers and we will continue to pray for you and with you. As we meet Jesus in the Gospel story of his ministry we are reminded again and again of Jesus taking time out to pray. We are privileged to have many wise sisters and brothers in our Baptist family who help us to take time out to pray. Can we draw your attention to the **Advent Quiet Day** on **Thursday 3 December** being led by Beth Powney and Geoff Colmer? Let's step aside together and come in prayer to our Father who loves us and who is **I AM** and is in the midst of the storm with us.

Diane, Hilary, Jane, Mary, Mat, Mike, Paul, Steve and Wale

## News:

### EU Settlement Scheme

Is there someone in your congregation or community who needs to apply to the EU Settlement Scheme? This is the UK Government's programme to give EU citizens a new immigration status after Brexit. However, some people may find it more difficult to apply, or not know they need to apply at all. If you know someone who might need some support applying to stay in the UK, then check out [JPIT's handy guide for church leaders](#). JPIT is also hosting an online 'coffee break' session at 11:00 on Friday 27 November – a short meeting with experts who can answer any questions, explain the process, and outline how you can support someone through their application. [Click here to register](#).

### Foundation Stones

Community engagement organisation, Big Ideas, is inviting Baptist churches to take part in their new project '[Foundation Stones](#)' - painting a commemorative stone to be placed within the foundations of the new UK Holocaust Memorial and Learning Centre in remembrance of the victims of the Holocaust and subsequent genocides in Cambodia, Rwanda, Bosnia and Darfur. Each Foundation Stone will represent a commitment from communities across the UK to learn from the past and to build a future free from all forms of prejudice, discrimination and hatred. To find out more, join Big Ideas for two workshops during Inter Faith Week. Click the links to the workshops on [Tuesday 10 November](#) and [Wednesday 11 November](#) for details.

### Reset the Debt

The impact of Covid-19 has been profoundly unequal. The poorest in our communities have been hit hardest by lockdown debt. If we don't act now, families could be held back by Covid debt for years to come. We think it's time to [#ResetTheDebt](#). Could you write to your MP, asking them to support our call to [#ResetTheDebt](#)? [Click here to discover more](#).

### Presents with a Purpose

[Operation Agri](#) is a development charity which supports Christian-led rural and urban development projects in three continents, showing the love of Jesus in action by attacking the basic causes of poverty amongst some of the most disadvantaged people in the world, regardless of their religious, ethnic and cultural backgrounds. Their focus is agriculture, education, health, livelihoods and social justice. [Presents with a Purpose](#) enables you to make a gift to friends or family in the form of a donation to one of these life-changing projects.

There is so much uncertainty as we face Coronavirus. It's now more important than ever to look after our mental health as a priority. With this in mind, we have created a [new area of our website to support church congregations](#). ## Inter Faith Week 2020

Inter Faith Week 2020 will take place from 8 - 15 November. Its aims are to strengthen good inter faith relations at all levels, increase awareness of the different and distinct faith communities in the UK, in particular celebrating and building on the contribution which their members make to their neighbourhoods and to wider society, and to increase understanding between people of religious and non-religious beliefs. [Have a look at the Inter Faith Week website for ideas and resources.](#)

## Advent and Christmas resources

This year our celebrations of Advent and Christmas will look a bit different to 'normal'. We have compiled some resources from a variety of sources which may be helpful to inspire you as you plan your services. These are available on our website at [www.baptist.org.uk/advent2020](http://www.baptist.org.uk/advent2020). ## EBF Advent Project

This year's challenges have taught us to use technology better than in the past. And so, the European Baptist Federation (EBF) is offering the EBF family an Advent Project - 'sharing' preachers in the EBF region to keep our bonds of love and fellowship. They are looking for preachers who would like to serve another church in the EBF region, and churches who would like to welcome a preacher from another part of the EBF. If you would like to participate in this EBF Advent Project, [please fill in this questionnaire](#) by Friday, 13 November.

## The Christian in Creation course

In November Churches Together in Boscombe (Bournemouth) will start an online course called 'The Christian in Creation.' Most of the church's teaching in the area of the environment has been related to 'creation care' and stewardship. This is clearly a responsibility God has placed on humankind. But the Bible has much more to say. [Click here for more information and how to register for the course.](#)

## The Bible doesn't tell me so

This important new book from Baptist minister, Helen Paynter, addresses aspects of domestic abuse and coercive control which can take on a particular form in Christian communities. It is written specifically for victims and survivors of abuse and control, the friends and family members who want to help, and church leaders and congregations who may be in ignorance or denial of the extent of domestic abuse in Christian circles. [Click here for details.](#)

## Visual Reflections

We regularly post visual reflections on our [Twitter](#), [Facebook](#) and [Instagram](#) accounts. These high quality images can be used for personal reflection and in churches, with our blessing. [Click here to find the current selection of images on our Flickr account.](#)

The theme will be 'Back to the Future' using Jeremiah 6:16 as the key text, recognising that there is no return to what has been described as 'normal' as we look ahead into 2021. The church needs to be both prophetic and apostolic and be 'co-creators of the future with God rather than curators of the past for God' (to quote Roy Searle). [Click here for more details](#).
