<b>3 May</b>	<p><b>A prayer for farmers and agricultural communities</b></p> <p>Loving God, we pray for all farmers, especially those struggling with limited opportunities to export livestock and other produce. Be with them as they struggle with the financial impact of the current situation; may they and their families get the help and support they need. Help us in the wider community to understand and support farmers better, valuing what they do to provide us with food. Help us to see your light in the darkness and hold out that light to others. In Jesus name, Amen.</p> <p><i>Prayer from the Arthur Rank Centre, <a href="http://www.arthurrankcentre.org.uk">www.arthurrankcentre.org.uk</a></i></p>
